LIST AND LOCATION

OF

SNOW COURSES AND SOIL MOISTURE STATIONS

The following is a listing of snow courses and soil moisture stations for Colorado and New Mexico which are shown on maps on the interior pages. There is also listed the principal snow courses in the Colorado River Basin in Utah and Arizona and on the Colorado and Platte River Basins in Wyoming. For a complete list of snow courses and the snow report for the States of Wyoming, Utah and Arizona, inquiries should be directed to Snow Survey Supervisors, Soil Conservation Service, P. O. Box 699, Casper, Wyoming; 222 SW Temple, Salt Lake City, Utah and 807 W. Washington, Phoenix, Arizona, respectively.
